

**Geometry Test Corrections Worksheet**

This sheet must be completed for each problem you did not earn FULL credit for PRIOR to the cumulative 6 weeks test. If this sheet is completed completely and correctly, the lowest test score for the grading period will be dropped. Turn in this sheet and the original tests.

<b>Test title and problem number</b>	<b>Write problem and re-work problem correctly</b>	<b>Explain what you did wrong</b>	<b>Explain how to do the problem correctly</b>	<b>Find a similar problem. Write the similar problem, the page number and problem number.</b>
